EXPERIENCE

Borough of Manhattan Community College, New York, New York **July 2017 – Present**
Enrollment Management - College Assistant

- Implement strategic guidance systems for prospective students, optimizing admissions processes and significantly enhancing enrollment and retention metrics.
- Spearhead the digital transformation of critical documents, streamlining record-keeping protocols and advancing data management systems.
- Engineer tailored support mechanisms to facilitate enrollment processes, boosting student satisfaction and academic progression through enhanced system interfaces.
- Provide expert navigation assistance through complex procedural workflows, delivering in-depth guidance and technical support.
- Develop and deploy educational tools for website navigation and independent document handling, fostering increased self-sufficiency within the student body.

Borough of Manhattan Community College, New York, New York **January 2018 – December 2019**
Supplemental Instruction in Animation & Motion Graphic Design (SI) Leader

- Attended design and animation lectures, documented key concepts, and reviewed course materials for comprehensive understanding.
- Conducted 1-2 supplemental instruction (SI) sessions weekly, focusing on design principles and software applications.
- Facilitated interactive learning activities that integrated advanced study techniques with animation and motion graphic concepts.
- Developed and distributed detailed handouts containing design problems and project scenarios to be addressed during SI sessions.
- Led review sessions for design critiques and animation project assessments.
- Participated in all scheduled meetings with supervisors and faculty, providing updates on design progress and feedback.
- Demonstrated exemplary design practices and successful project execution to model professional behavior.
- Committed 8 to 10 hours per week to project development, including design creation, animation, and motion graphic tasks.

Urban Male Leadership Academy, New York, New York **January 2019 – May 2021**
Media / Digital Curator

- Generated, edited, and curated digital content for UMLA's social media platforms
- Captured and edited footage from UMLA events for promotional use.
- Curate digital content across web, mobile, and diverse platforms, integrating writer and designer contributions to align with branding and style guidelines.
- Research, coordinate, edit, and integrate content to produce layouts that meet established standards.
- Organize content for optimal usability and relevance to target customers, enhancing overall effectiveness.
- Stay current with industry best practices and provide strategic recommendations for content development.
- Analyze content needs and consumption data to refine and optimize content strategies.
- Support projects of limited complexity, contributing to content development and management.

TECHNICAL SKILLS

CERTIFICATIONS: Pc Repairs & Maintenance, Operating Systems, Networking Essentials

SOFTWARE: Adobe (AE, Audition, Animate, Premiere, Photoshop, Illustrator), Marvelous Design, Cinema 4D

Hi there!

I'm a 3D Animator, Designer and Illustrator based in New York. I like to think of myself as a jack of all trades across many fields and a quick learner. I'm always seeking to improve myself and add new skills to my arsenal.
